ALLOWANCE / REASONS FOR ALLOWANCE

1. Claims 1-33 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The prior art, alone or in combination, did not show or teach a spray assembly / spray system having a spray housing comprising at least one spray outlet, the spray housing defining a watertight interior chamber, the spray assembly further comprising at least one valve assembly disposed in the watertight interior chamber, the at least one valve assembly operably connected to the at least one spray outlet, together with the other claimed limitations as recited in claims 1 and 11.

The prior art, alone or in combination, did not teach a method of installing a spray system in a roadway including removably securing a plurality of spray housings to corresponding ones of the base housings, wherein each of the spray housings defines an interior chamber and is watertight so as to substantially prevent water from entering the interior chamber, wherein each of the spray housings comprises at least one spray outlet and at least one valve assembly disposed in the interior chamber thereof and operably connected to the at least one spray outlet, together with the other steps as recited in claim 22.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
